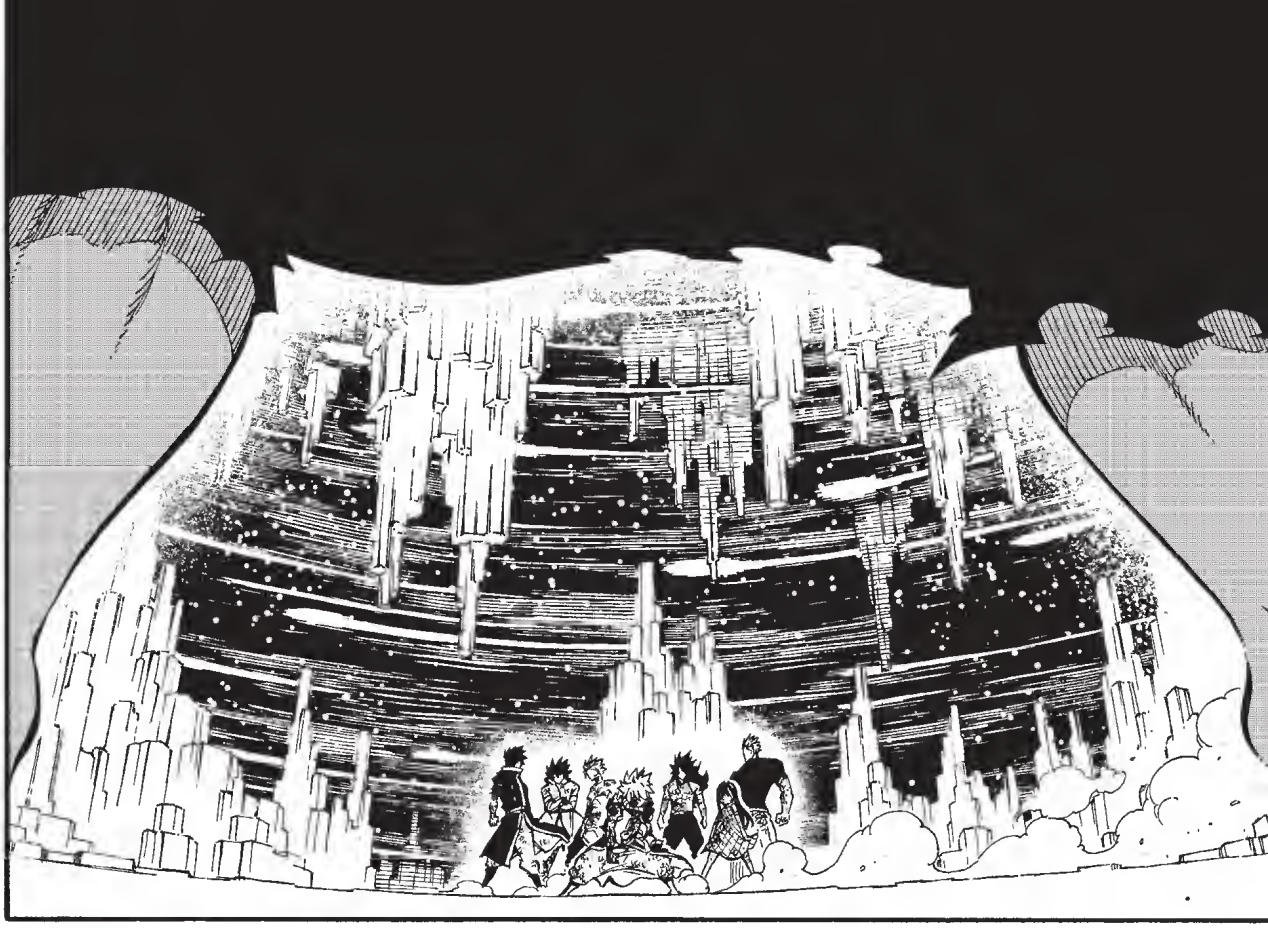
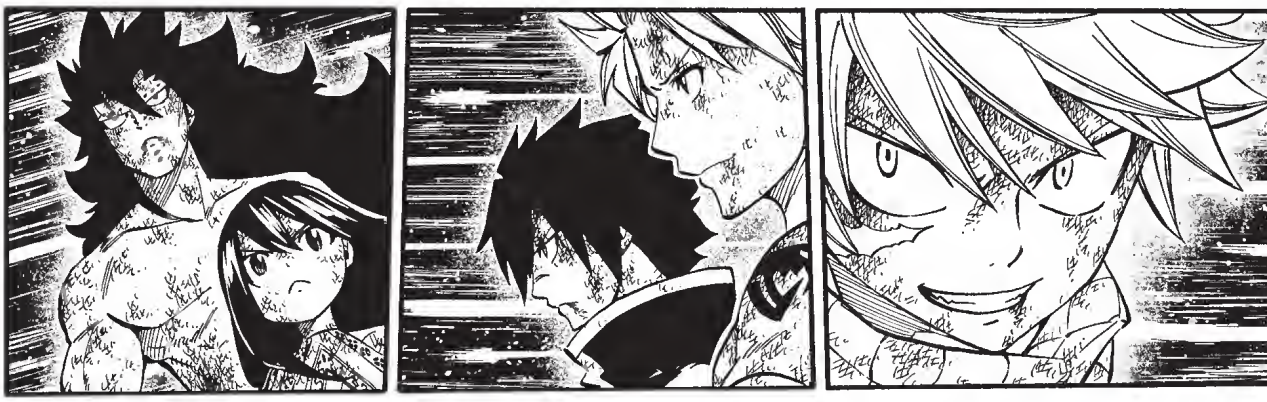
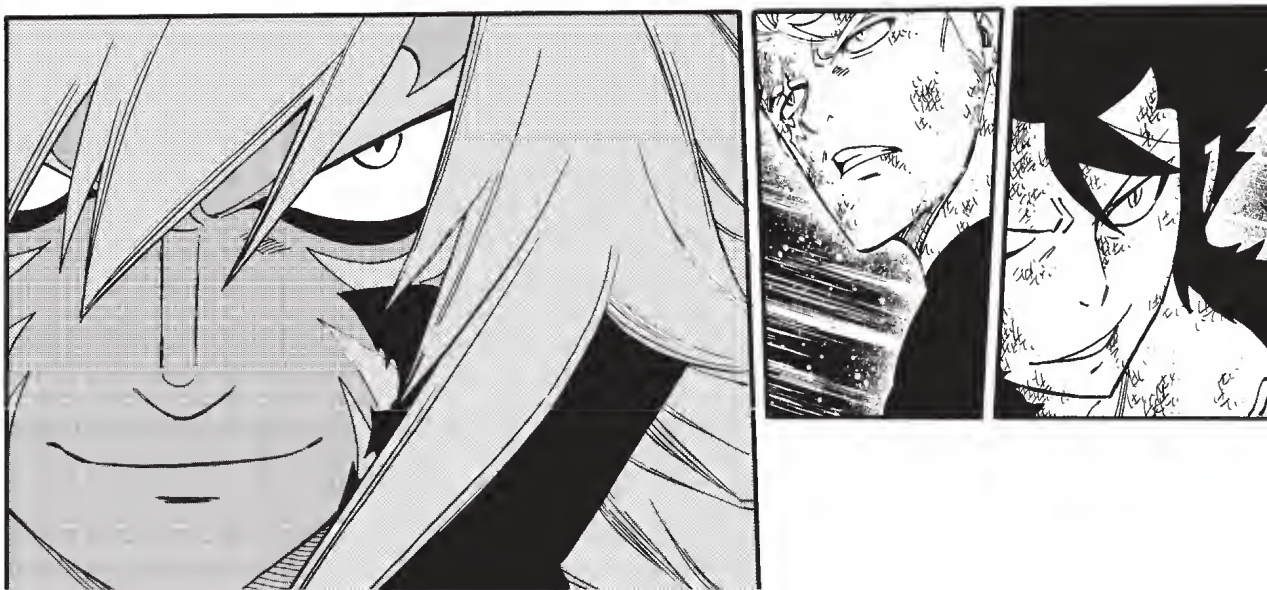
Chapter 541 The Magic of Hope

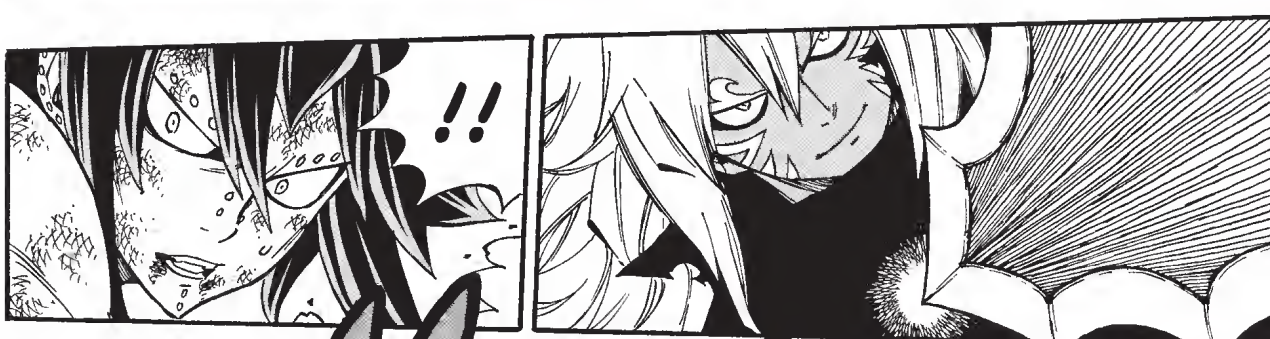


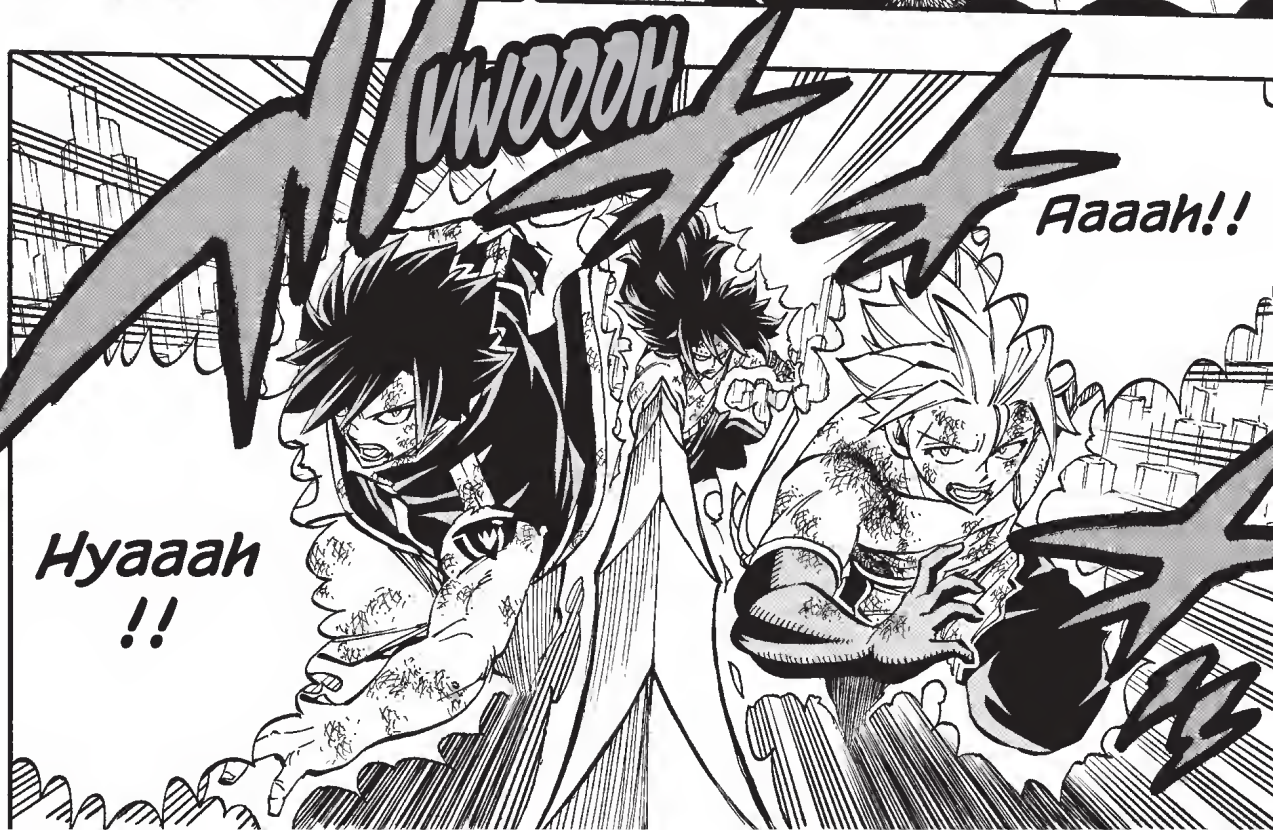


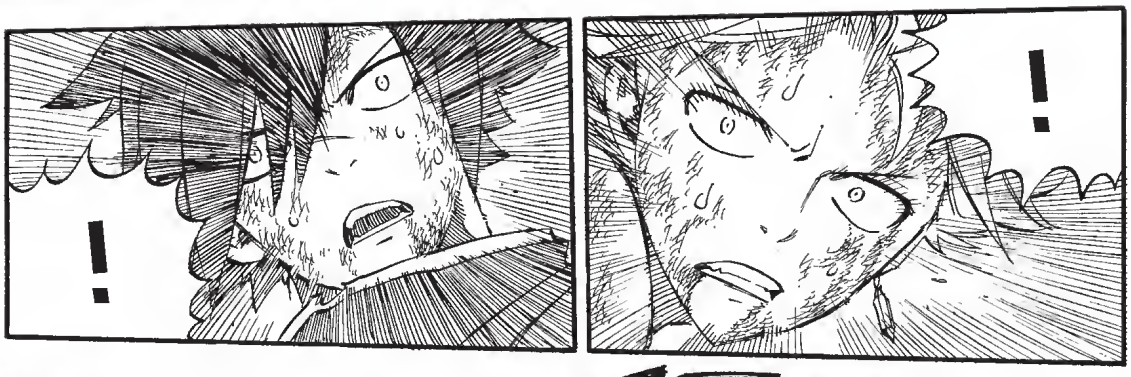


STORY THUS FAR. The Black Dragon, Acnologia, has been split into flesh and spirit. The flesh Acnologia is headed to Magnolia, while the spirit is in the space between time!! Erza goes to Magnolia to help save her friends...while in the space between time, Natsu and the other six Dragon Slayers are ready for some dragon hunting!!

*Iron Dragon Sword!!!!







*Poison Dragon's...

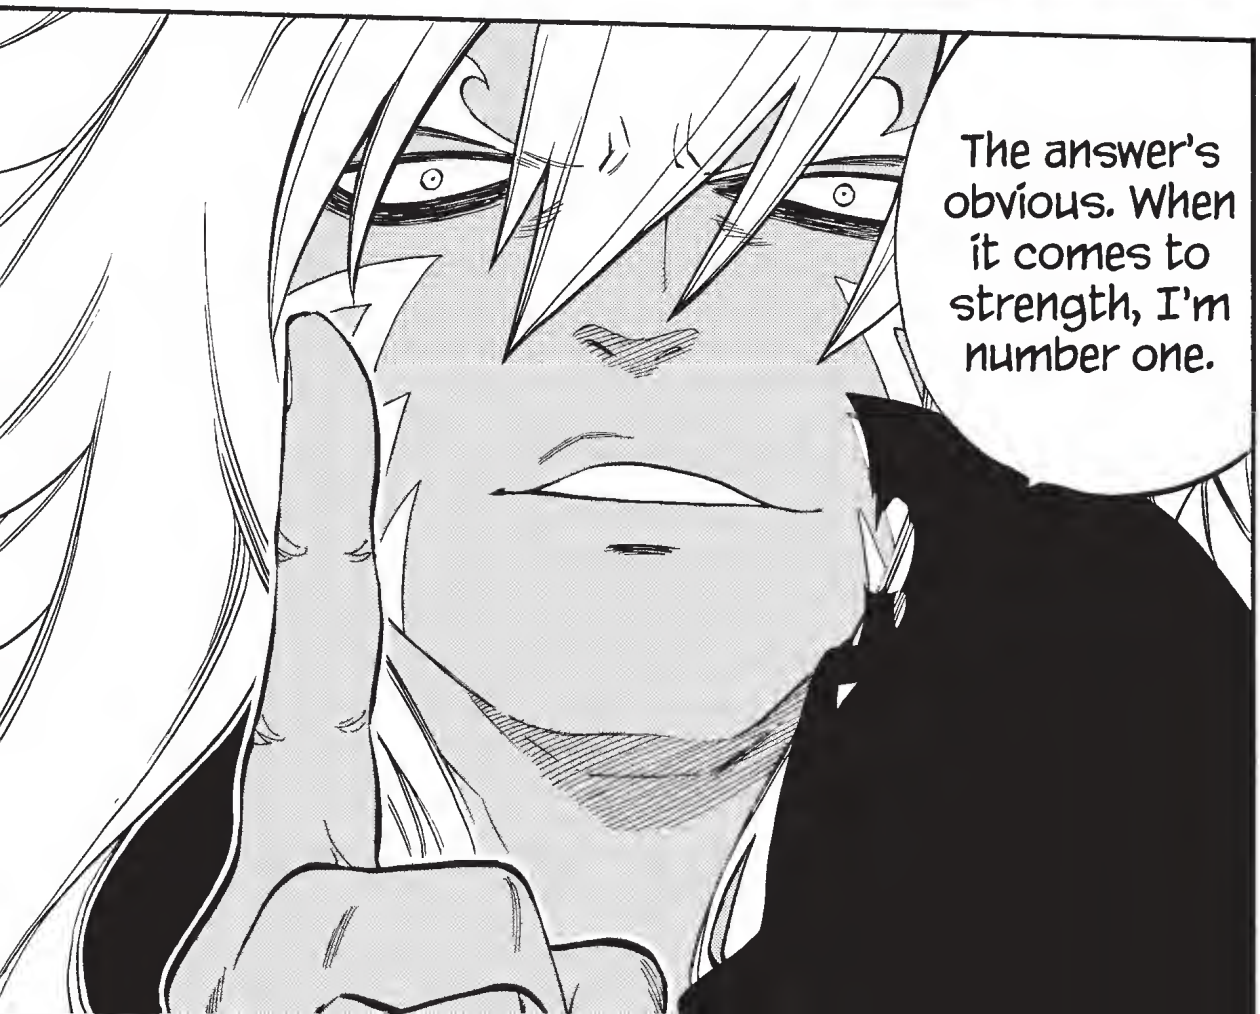
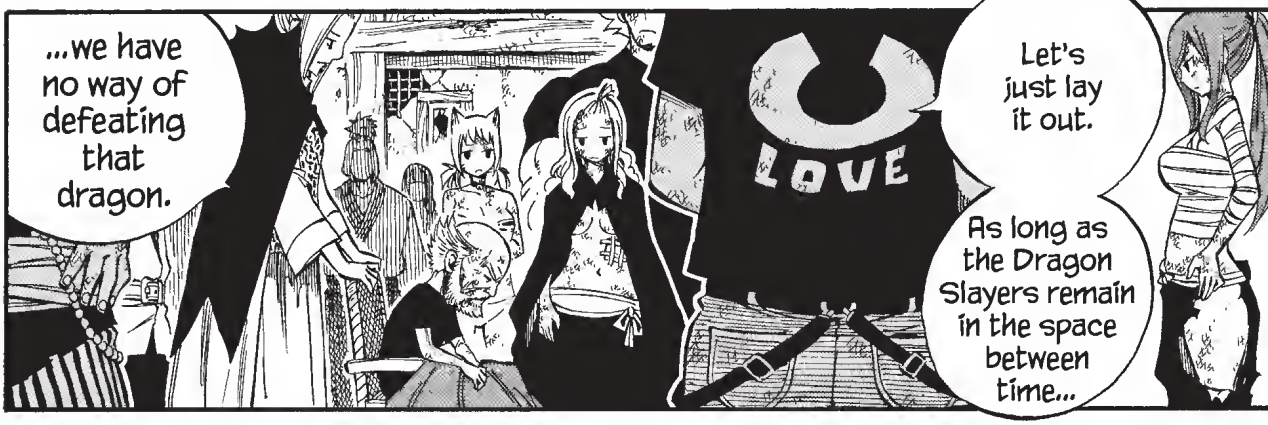
FSSSHHH

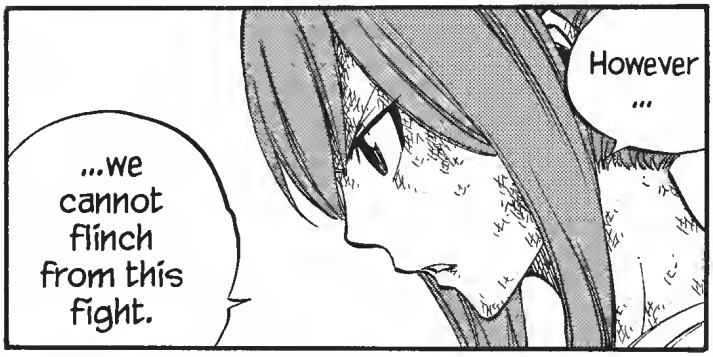
Want to know why I am the Dragon King?



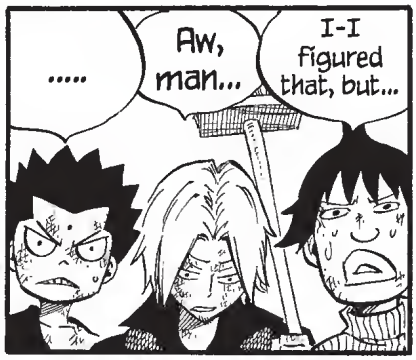
The answer's obvious. When it comes to strength, I'm number one.



...we have no way of defeating that dragon.
LOVE
Let's just lay it out.
As long as the Dragon Slayers remain in the space between time...



However ...
...we cannot flinch from this fight.



.....
Aw, man...
I-I figured that, but...

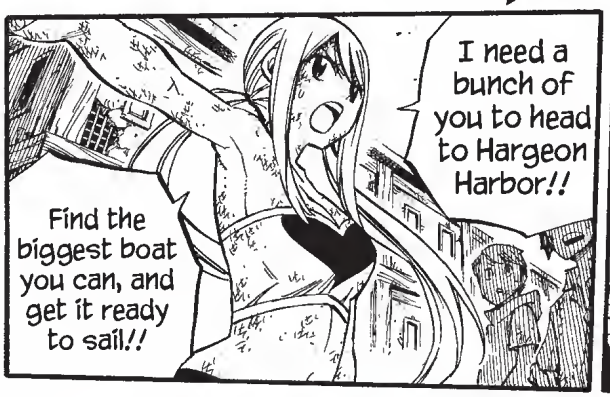
No magic can affect it.

Okay, maybe we can't defeat it, but can't we at least limit its damage?
Exactly! If Gray-sama used his ice to freeze it...

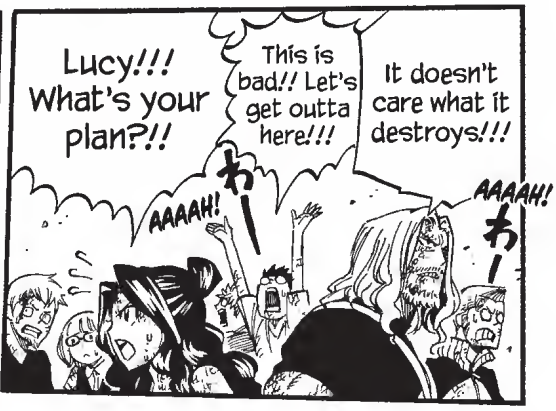
All we got here are wizards, and if magic doesn't work on it...
Would swords or other physical objects be more effective?
If holy swords and the like coulda brought down dragons, somebody woulda done it.
Although that is popular within fairy tales.
Maybe it is worth the attempt.
No... Swords have no effect.
Not unless one was enchanted with Dragon Slayer Magic.
If only Wendy were here...
Dammit...
Are we outta options ...?
What's up, Lu-chan?
.....
IRON
I have...
...one possible idea.

DOGOOOOM
!

DOGOOM
DOGOOM
It's here!!
It's Acnologia !!!



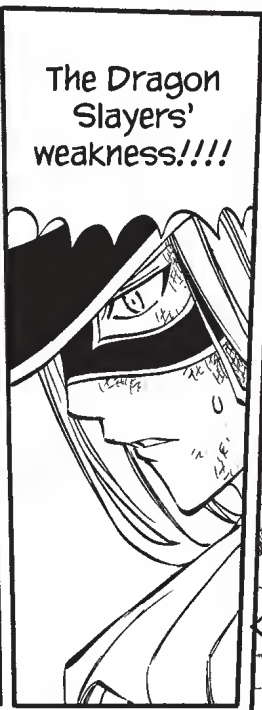
I need a bunch of you to head to Hargeon Harbor!!
Find the biggest boat you can, and get it ready to sail!!



Lucy!!! What's your plan?!!
This is bad!! Let's get outta here!!!
It doesn't care what it destroys!!!
AAAAH!
わー!
AAAAH!
わー!

But... All that's gonna do is make 'im all pukey for maybe a few seconds.

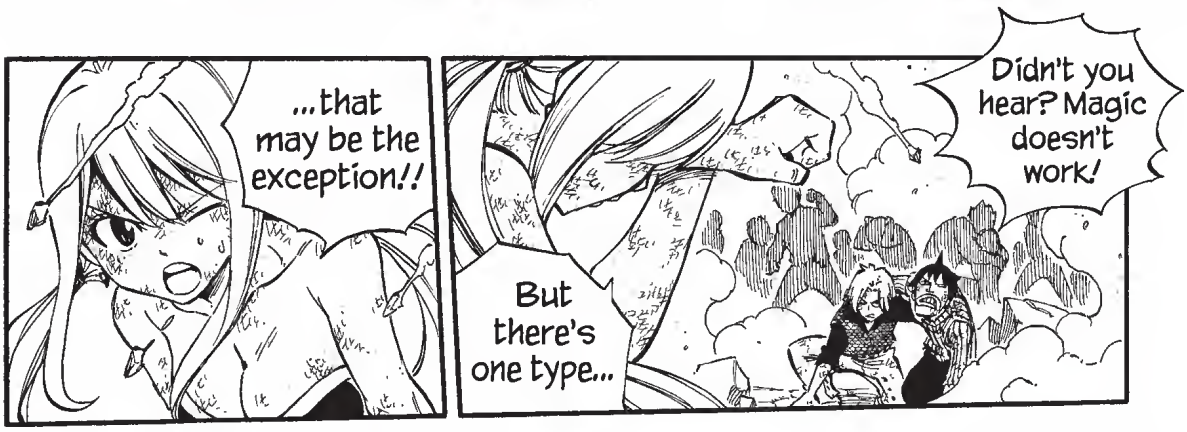
You want to get Acnologia on the boat?!



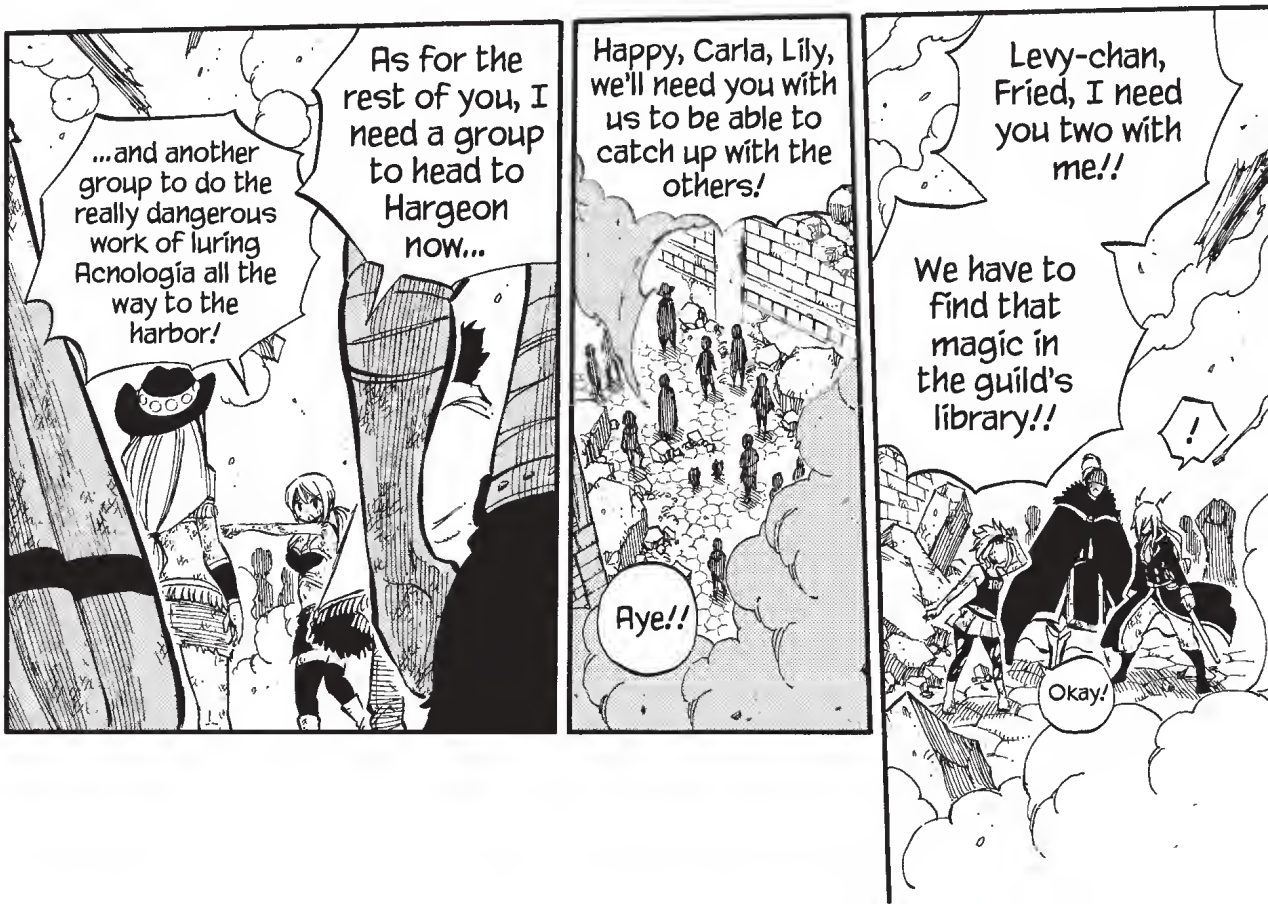
The Dragon Slayers' weakness!!!!

Boat ?!
CHATTER
Why...?
Oh!!!

Whaa?!
TWITCH
DOON
That's all we need!
While he's distracted, we can use the one magic that...
Uwaah!

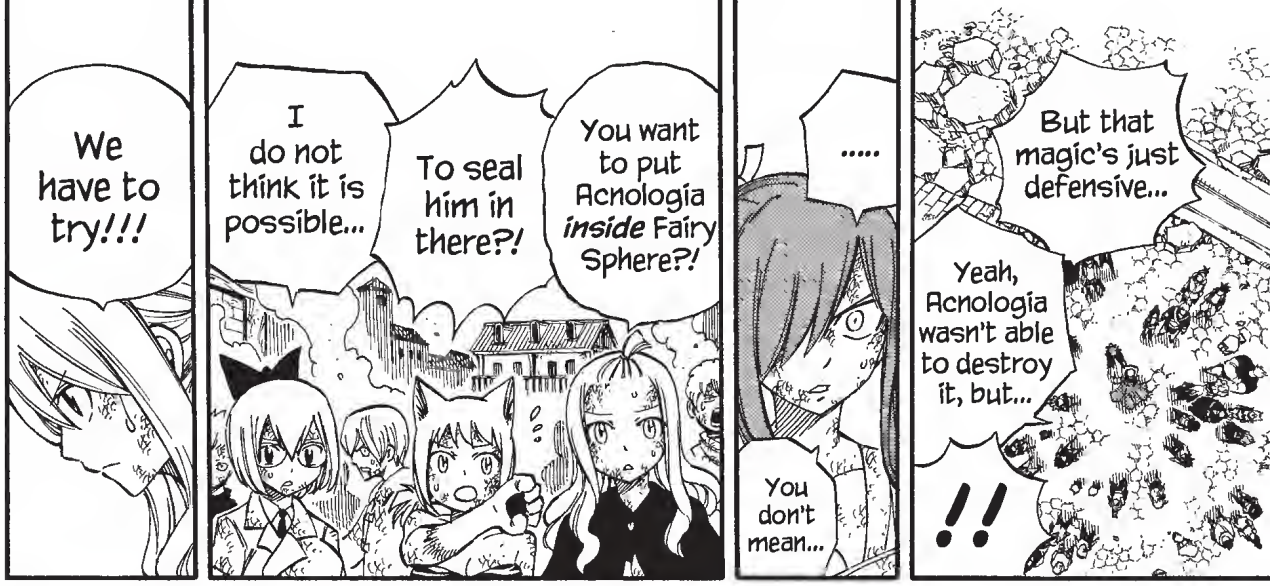


...that may be the exception!!
But there's one type...
Didn't you hear? Magic doesn't work!

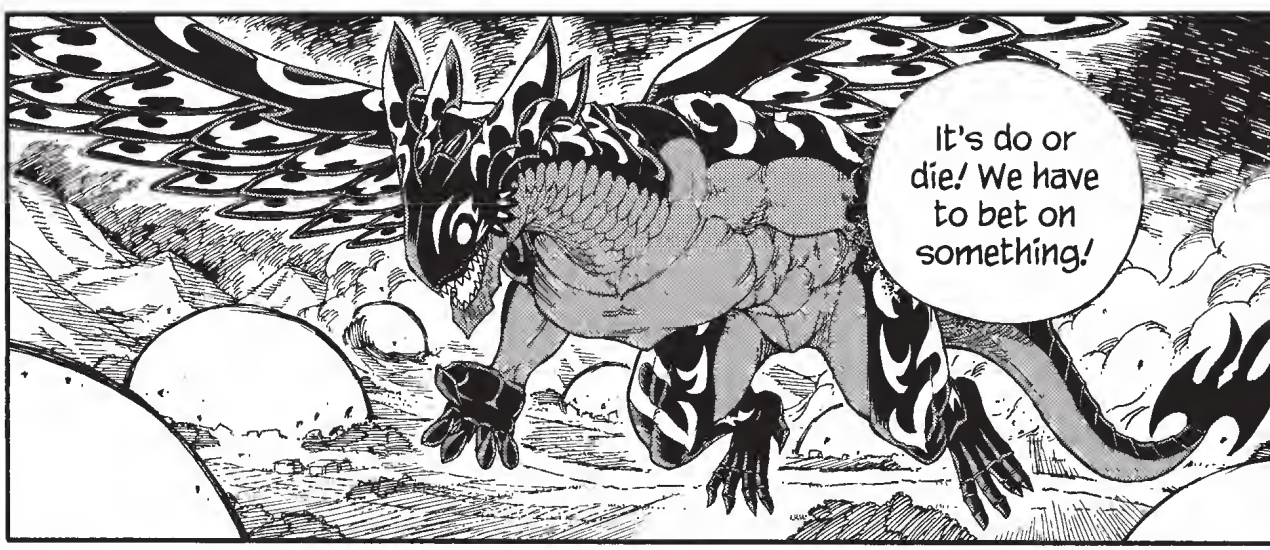


...and another group to do the really dangerous work of luring Acnologia all the way to the harbor!
As for the rest of you, I need a group to head to Hargeon now...
Happy, Carla, Lily, we'll need you with us to be able to catch up with the others!
Aye!!
Levy-chan, Fried, I need you two with me!!
We have to find that magic in the guild's library!!
!
Okay!

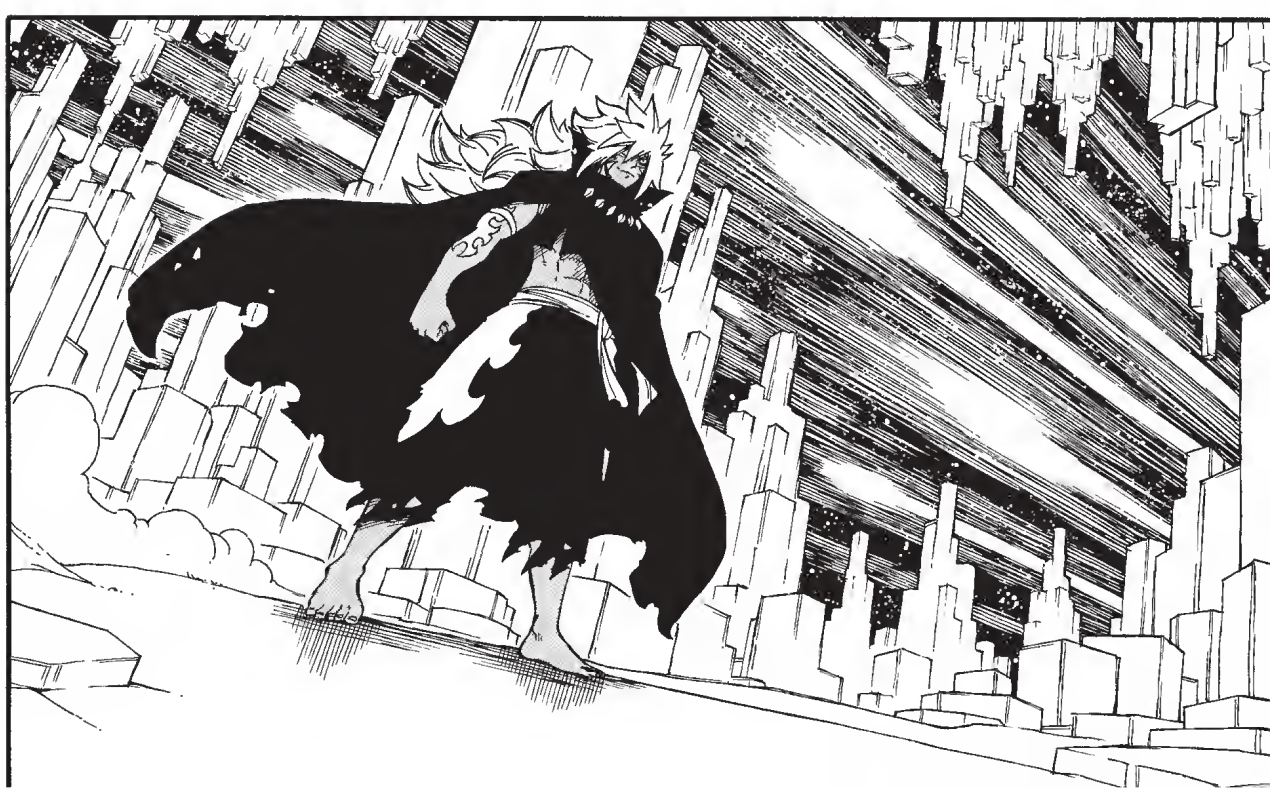
A magic of bonds so strong, not even Acnologia was able to overcome it!!
Lucy-sama, just what magic is it?
If it is thus, it falls to us to do the luring...?
One other thing... I want as many Fairy Tail members in Hargeon as possible!
The ultimate protection magic?!
That thing that saved us on Sirius Island...?
The first master's...
!
One of the Three Great Magics of Fairy Tail...
Fairy Sphere!!!

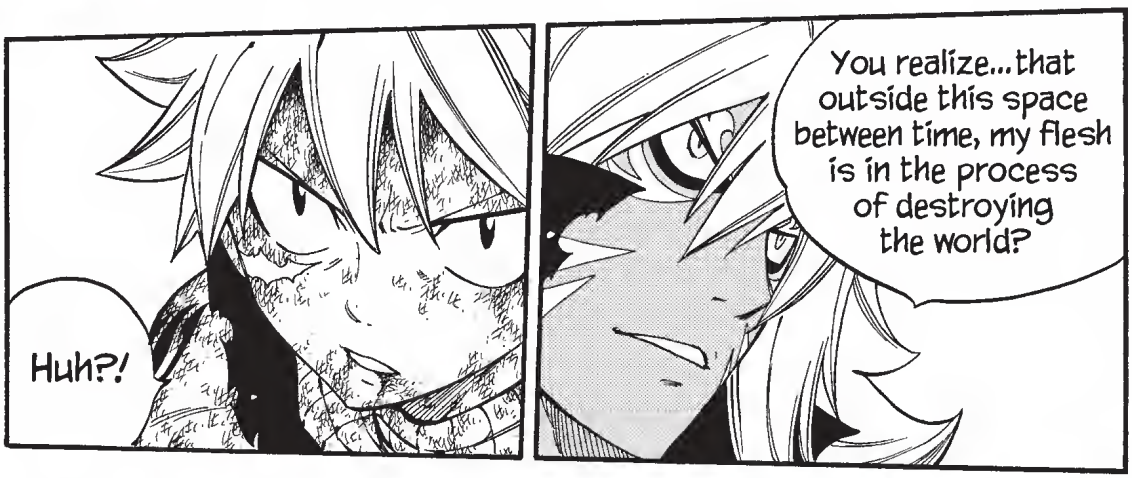


We have to try!!!
I do not think it is possible...
To seal him in there?!
You want to put Acnologia *inside* Fairy Sphere?!
.....
You don't mean...
But that magic's just defensive...
Yeah, Acnologia wasn't able to destroy it, but...
!!



It's do or die! We have to bet on something!



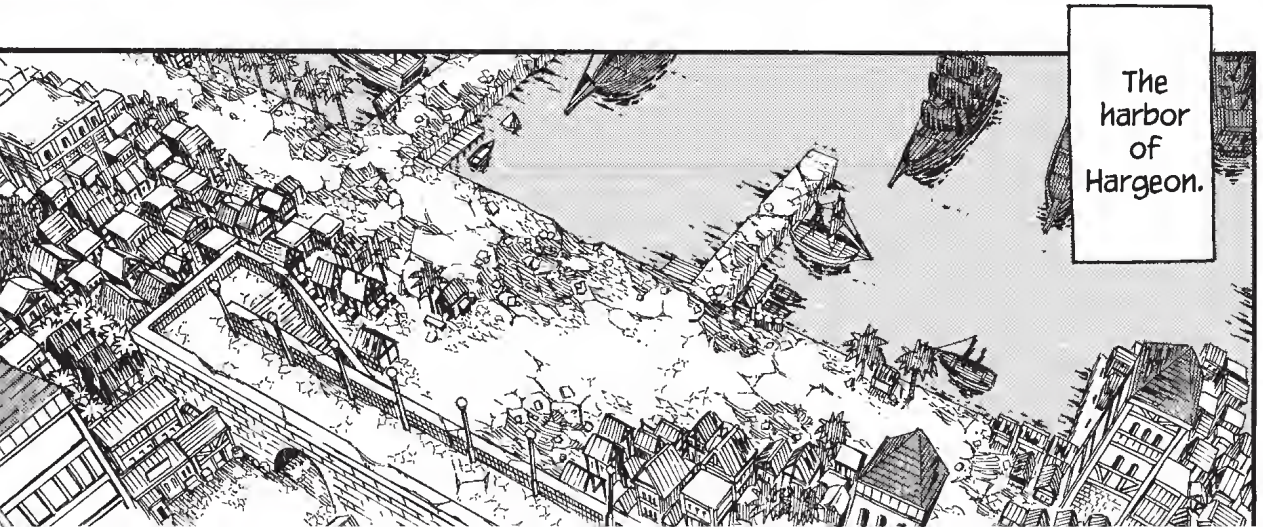


Huh?!
You realize...that outside this space between time, my flesh is in the process of destroying the world?

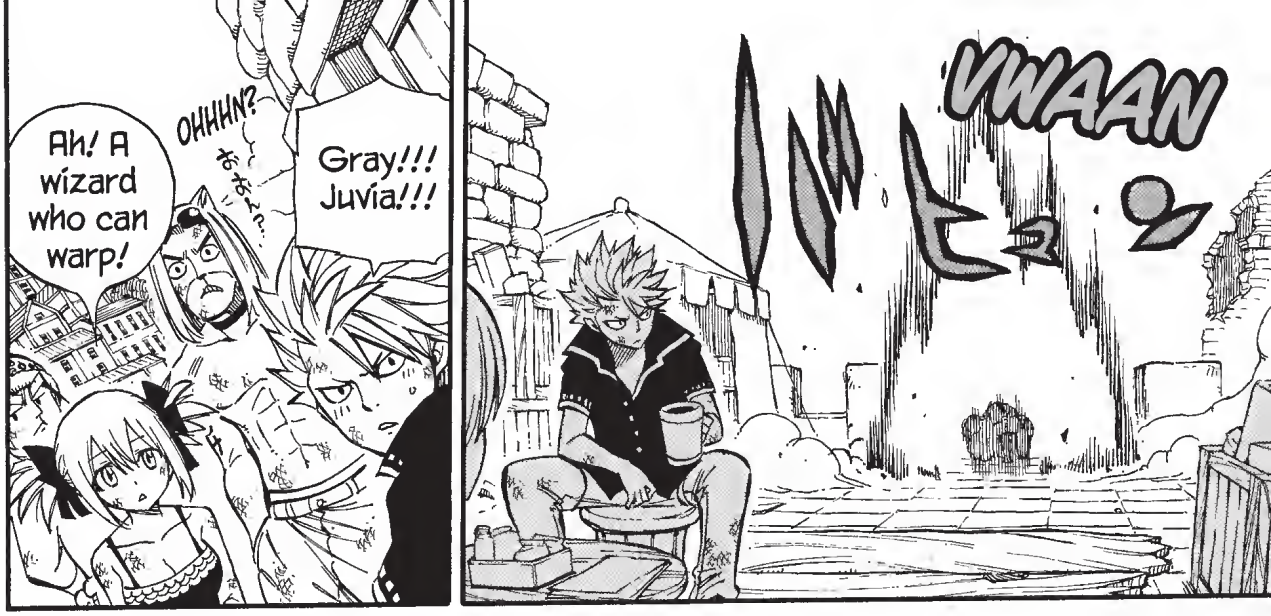
Why? What do you wanna do?!
I will annihilate everything...
...and bring the end of days.

Lay waste!!!
Just that.
That's all yer doing it for...?!
Ka ha ha ha ha ha ha!!!

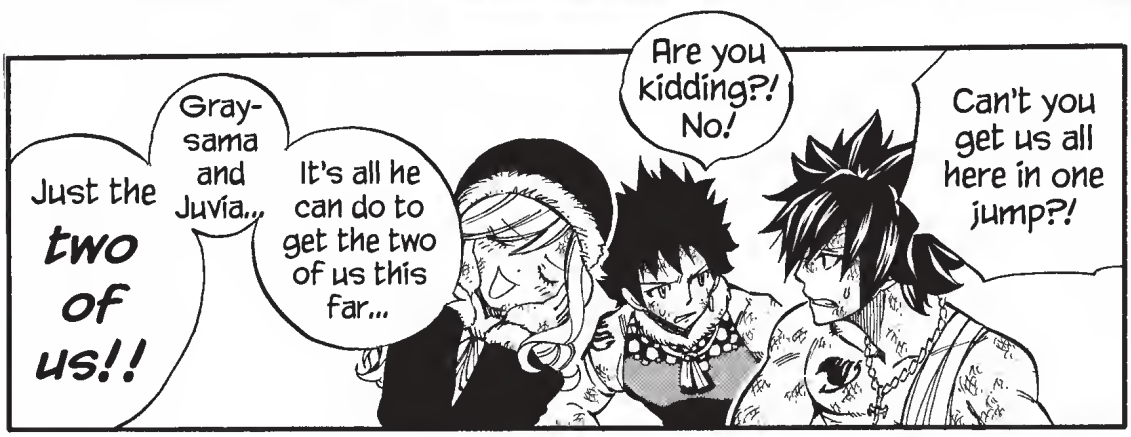
This world ain't so weak it'd just let you destroy it!!!



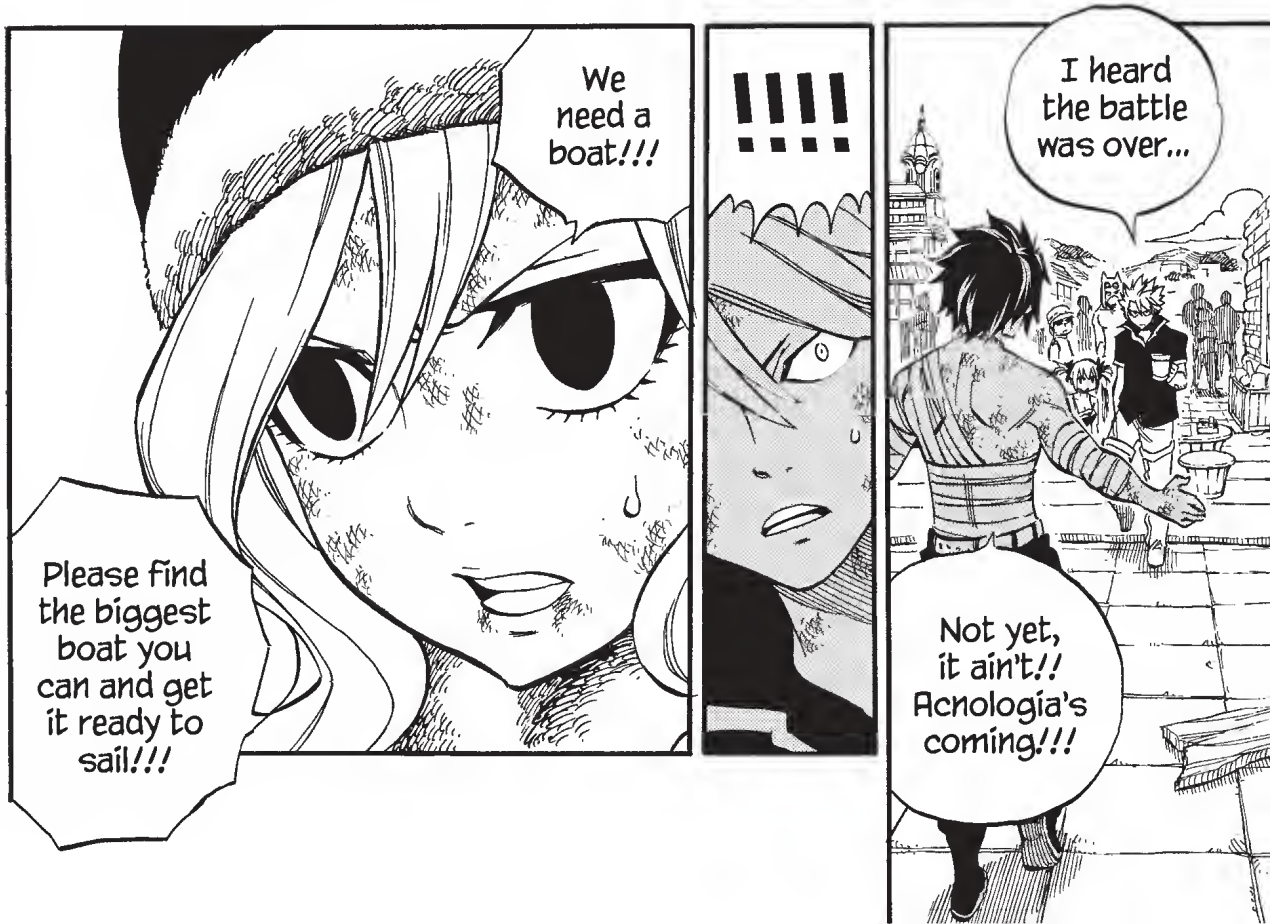
The harbor of Hargeon.



Ah! A wizard who can warp!
OHHHN?
おぉん?
Gray!!! Juvia!!!
VWAAN



Just the two of us!!
Gray-sama and Juvia...
It's all he can do to get the two of us this far...
Are you kidding?! No!
Can't you get us all here in one jump?!



We need a boat!!!
Please find the biggest boat you can and get it ready to sail!!!
!!!!
I heard the battle was over...
Not yet, it ain't!! Acnologia's coming!!!

We're counting on you, Minerva... All of you!!
Gotta get to Hargeon!!
Isn't Mest's delivery service back yet?
Don't even think that!!
THUDDA
